

Jack The Ripper: The Hand Of A Woman - John Morris

[DOWNLOAD HERE](#)

The Jack the Ripper murders of 1888 continue to exert a macabre hold on the collective imagination of the masses more than a century later, and this book, the result of extensive research, sheds some light on them. Among the first serial murders, their brutality and bizarreness begged questions such as What kind of person could have performed such horrific deeds? and How could they not have been caught by the huge police effort? The book offers keen insight into Victorian London and its policing as it follows the investigations of the infamous murders. Arguing that many unresolved questions could be answered if Jack was in reality a woman, this bold account names a suspect and explains why the murders stopped. Author: Morris, John Publisher: Seren Illustration: N Language: ENG Title: Jack the Ripper: The Hand of a Woman Pages: 00208 (Encrypted EPUB) On Sale: 2012-05-01 SKU-13/ISBN: 9781854115669 Category: True Crime : Murder - Serial Killers
