Add this one technique to your marketing arsenal and... Increase your Click-thru's, Energize your Opt-in Rates, and Instantly Double or Triple your Sales in less than 5 Minutes Guaranteed. I now get 400 more click-thru's unbelievably more opt-in's and have doubled and tripled my sales just by using this one simple technique. You see, When I started marketing affiliate products I made all the mistakes (just like you will or have too). Unless you continue reading. I would go to Clickbank or Commission Junction and find a really good product for my niche and then I would sign up as an affiliate and get that UGLY URL. And then comes the BIG MISTAKE everyone makes... You send out an email to your list or you create this great webpage and what do you do you paste that UGLY URL into your work. I did it and I'm sure you have too... When you do this it's like wearing a big brand that says this is not my product. The Solution:????Link Shrinker!???? Link Shrinker will take your UGLY URL Like: affiliateid.merchantid.hop.clickbank and it will create a professional looking simple URL that is personalized with your own domain and cloak the UGLY URL to: yourdomain.com/go/campaign\_name Or yourdomain.com/visit/campaign\_name Or yourdomain.com/recommends/campaign\_name This is the secret that all the big marketers use today. Link Shrinker installs in less than 5 minutes and you can be creating professional affiliate links in just minutes after installation.
