

Microwave Radiometry Of Vegetation Canopies

[DOWNLOAD HERE](#)

From the contents- Foreword.- Preface.- Chapter 1. Basics of Microwave Radiometry.- Chapter 2. Physical and Electrical Properties of Soils and Vegetation.- Chapter 3. Microwave emission from Bare Soils.- Chapter 4. Theory of Microwave Propagation Through Vegetation Media.- Chapter 5. Experimental Studies of Microwave Propagation in Vegetation Canopies.- Chapter 6. Modeling of Microwave Emission from Vegetation Canopies.- Chapter 7. Experimental Research of Microwave Emission from Vegetation Canopies.- Chapter 8. Vegetation Effect in Microwave Remote Sensing.- Chapter 9. Microwave Radiometry of Vegetation Canopies in Context of Global Change Research. References.- Index. EAN/ISBN : 9781402046827 Publisher(s): Springer Netherlands Format: ePub/PDF Author(s): Chukhlantsev, Alexander A.
