

Mp3 Andy Burns - Levitation Is Real

[DOWNLOAD HERE](#)

Bluesy cruisey showy mystic wizard rockin'acoustic/electro pop from Australia... hone for a long force back out-back 12 MP3 Songs POP: Way-out FOLK: Folk Pop Levitation is REAL Songs Details: From Australia with Love....This Album "Levitation is REAL" is the work of Melbourne producer/musician Andrew Burns.It features collaborations with two songwriting and performing partners,Jonathan Taylor and Sarah Hill.All songs were recorded at "Fantasy Caves" Studios Melbourne 2003 and 2004, by Andrew Burns.Track 1 "AB force backs a Monaro" is an an instrumental,a meditation on a great Aussie made car.Sounds kind of like an updated techno David Sanborne track.From there we go a little weird with "135 Beat Street" a riff that became a song.Next up is the beautiful Sarah Hill singing "That Kind of Girl" check her out... FFRREESSHH!!!After that...well you'll just have to find out... All instruments were played by Andrew Burns except guitars on "Weevil" by Lance L.,and Al Craig,and all Blues harp by Jonathan Taylor. Oh by the way, Levitation IS Real....Check out the music and you can start too....
