Details: Angela Masciale has a hauntingly beautiful voice, folk-classical in sound, with a three octave range. Her soulful original songs are composed of exquisite melodies, woven with mellifluous, poetic and stirring lyrics. Her joy of singing and playing the guitar fills the room. She passionately showers her listeners with an uplifting spirit, delivering her message with a voice that soars over all. Angela delivers harmonious, often complex finger-picking guitar accompaniment to her singing. Her songs are landscapes, reflections of nature, healing messages, and stories about the traumas and victories of living. " Take Back the Land" is her third CD released in November 2008. The underlining theme of this CD is: The struggle to move from discord to harmony There are 13 original songs --all words and music by Angela Masciale. Other incredible musicians performing with Angela Masciale on her new CD include, Singer-Songwriter and Guitarist--Raymond Gonzalez, Composer-Pianist--- Adam Zampino, Fiddle player-- Pam Kuras. Casualties of War- One cannot completely annihilate a thought. When one refuses to acknowledge an experience, it returns with a vengeance, including the universal horror of war trauma. Take Back the Land-The child and coyote are the nature warrior innocents and like a fairy-tale they fight to take the land back in the battle of nature contra civilization. Breathe-You are in the washing machine and trying to get out. The worker battles the inhumane demands of our "working" civilization trying to once again to regain a sense of balance. Hungry Horizon- Mother nature, warrior holds the ultimate power, as she reestablishes harmony, imposing her needs and devouring with a

vengeance. Petite Woman Blues-Humorous protest song about adapting to and living in a world designed for a person of "average" height. Its Ok Mother-Reframing infertility as fertility---Serenity graces one who embraces with gratitude what one does have, accepting your existence for what it is. Snowbird-Mildly protesting nature's return to dark and cold, she exudes a sense of freedom, inviting us to join her riding on the wings of wild horses. Machu-Picchu Quest-The Andes Mountains a power ring of nature is both awe inspiring and humbling, as she exerts her warrior will to save her love from nature's deadly pull. Shoebox Shelter-The indomitable homeless man resting on the fringes of civilization exerts his eccentric will to survive. Giving All To Enhance Each Other-A mother sings her wish for true lasting love at her sons wedding. She speaks of willing, loving self-sacrifice in the making of a marriage. New Moon Rises-Like the new moon, life's impassioned dreams exist in the shadows, becoming a reality as one transcends the demons that falsely exalt the victim at the expense of the victor. Breezes of Possibility-Love is a powerful force, providing one with the courage and will to take the uncertain pathways of life's adventures. Singing Bowl Chant-The Tibetan Singing Bowl inspires the human voice as a healing muse. The sound is a resonance that links one with the core universal vibration. The spiritual seeker tunes the mind and intellect in order to live in harmony with the world, utilizing acquired knowledge for spiritual elevation and the welfare of mankind.
