Nothin' But A Party will keep you on the floor. Groove to the Southern Soul Songs and Party with Big G. 12 MP3 Songs URBAN/R&B: R&B Pop Crossover, BLUES: Rhythm Blues Details: Big G AKA The Hot Loving Man, loves to keep his audience in a grooving mode. This CD is for any one who wants to get on the floor and move to the grooves. Born in a little town of Charlotte County VA, Big G grew up singing, playing keyboard, lead and base guitar in church. Big G grew up listening to all types of music but the southern soul made him what he is today. Influenced by such artist as: Roy C, Tyrone Davis and Clarence Carter, Big G started singing the old school R&B southern style music back in the 1980s. Big G started recording his own music in 1988 and from then to now Big G has continued releasing new music.
