

Mp3 Captain Music - I Like To Wiggle

[DOWNLOAD HERE](#)

This great energizer created by teachers and musicians helps kids develop motor skills and vocabulary by using their imagination. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: Lee Romano, AKA, Captain Music, brings 16 years of educational experience to Captain Music, Inc. Their books and CDs Set Sail On The Sea of Character Monthly SchoolWide and Classroom Activities for Your Character Education Program, The Character Counts So Do!! Series including the CD which was selected OUTSTANDING by Parent Council, the Lesson Plan and Song Book, and Character Counts So Do!! The Musical, and their energizer CD, I Like To Wiggle! are being used successfully at schools throughout the United States to teach children about great character. In addition to being Captain Musics president, Lee is the companys musical composer and producer. Prior to his teaching career, Lee was a professional trumpet player and has toured the world and performed with Lionel Hamptons Orchestra (Grammy Nomination 1985), Natalie Cole, and The Glenn Miller Orchestra among others. Lee has had several articles published about his teaching experiences and methods he used in his classroom. When Lees trumpet career came to an abrupt halt due to a mini stroke, he resolved to move forward and merge his educational and musical experiences into something positive for children. In 1999 he created Captain Music, Inc. where he now funnels his energy into creating some of the best childrens music and educational materials in the market today. Everything at Captain Music, Inc. is created for educators by educators, with children, teachers, parents and music in mind!
