Modern country folk 9 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Dennis Massa has a music background that goes back to Nashville and forward to New York. He's a great interpreter of folk music; with his own distinct vocal style, an excellent guitarist with a voice that has a mix flavor of Burl Ives, Elvis, the old Jimmy Rodgers and Gordon Lightfoot. - //John Tartaglione. This CD is dedicated to my good friends Carlos Blanco, and John Tartaglione. Special thanks to Chris Pati for his work on the song "William Tell", for mixing and keyboards. I also dedicate this CD to the Man In Black, Johnny Cash.Johnny Cash, ...my inspiration for the song ..." I Miss the Man in Black " ,he will be forever missed, and will remain in our hearts and memories for generations to come. -/// Dennis Massa I Hope you enjoy my new songs and if you have time, leave a review. Tunefully -dm
