Electronic, techno, ambient and new wave. All together. This is 8 pieces, not songs. 8 MP3 Songs NEW AGE: Ambient, NEW AGE: New Age Details: Robert Gaza: Recently I completed a new music project which includes eight pieces that are united by a general theme. The music was inspired by Asian legends. I named this work "A long Way to Lhasa". Briefly about myself: I am a professional composer, in New York since 1995. The Russian corporation "Melody" produced 7 records with my music. I have written 3 symphonies, concerto for piano and orchestra, 5 string quartets, music for movies and plays, songs and so on.
