We are In Question. Formed in early 2003 in Airmont, New York, we eat, sleep, drink (a lot) and live music. Simply put, In Question sounds like In Question. Our music is both musically and stylistically diverse. We take elements of Alternative Rock, Metal, Punk, Grunge and plain old Rock and Roll and blend it into a style we like to call our own. Our goal is to make music for every emotion. We are currently based out of Rockland County and NYC New York, so if you see us around be sure to say hey. -On Lead Vocals and Guitar is Rob. With his dominating stage presence, strong guitar skills and song writing, along with his solid, truly original vocals, Rob is made to be a front man. -On the Drums and Vocals is Tom. Tom was born with drumsticks in his hands. His beats are the backbone of In Question. On top of being a sick drummer, Tom is endorsed by Precision Drums and certified as a recording engineer. -On Bass Guitar and Background Vocals is Tony. Tony's insane playing ties every thing together. He is literally all over the place.
