Mp3 Isaac "ize" Barba - Wizearth

Spiritual Hip Hop/Positive Poetry Projection 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Alternative Hip Hop Details: Isaac IZE Barba Isaac takes much of his inspiration from nature and tries to give back through the messages in his music. He lives in Santa Barbara, California, where as a child he became a very skilled dancer and drummer. In Jr. High his peers took direction from him at drum line practices. Freestyle rap and choreography became routines that he and his friends would perform in talent shows and at parties. Ize has been writing lyrics and recording songs that turned into albums for about fourteen years. He and his brother Joshua Kaj Maj Mendoza form The Limbz, along with Micah Mr. Noname Douglas and their producer, Joey JRA Ambriz. They continue to perform for inspired crowds in night clubs around Southern California. Isaac is currently on six different albums, one of which is his solo album, WIZEARTH, and working on three others with Eekosystem Records. Find out more at eekosystem.com. Isaac also performs with many reggae, soul and funk bands, as well as many well known House and Jungle DJs. In 1994 the rave scene came to California, Isaac was right there to give that Santa Barbara vibe. He and his friends threw parties on the mountaintops with DJs that would spin House and Jungle, Ize would be on the mic. Realizing there was a market for Hip Hop rapping over House music, Ize began working steadily entertaining the downtown scene of Santa Barbara. He traveled with Therapy Productions to San Diego, San Francisco and Miami. His talents have taken him to Switzerland where he performed in the most elite clubs. Some of the DJs he has performed with include: Donald Glaude, DJ Dan, Thomas Michael, Charles Feelgood, Cameron Douglas, DJPat and Oliver Twist. Ize is a revolutionary musician, speaking out against injustice and encouraging peace, unity and having fun with a positive style that only he can emit.
