raw and acoustic first solo snapshot. 10 MP3 Songs POP: Folky Pop, POP: Quirky Details: In consideration of change in the form of ending a long considered love relationship, this was the breaking of the bread. Recorded during down time while making a multilayered rock record with then band Something Iris, this stripped to the bare document was evidence of transition. Recorded at home but mixed in wide spectrum on a Neve mixing console, it is a unique blend of raw imperfection captured in rich tone. A break up record and a contemplation of self inflicted injury.
