Like the long summer night, and the cold beer and cheap whiskey, and a beautiful woman with the blue jeans on the cool grass at the barn dance with the kicking band making everyone dream of better places while dancing with their lovers. 14 MP3 Songs COUNTRY: Alt-Country, ROCK: Roots Rock Details: New Album! Recorded live in the studio with an amazing all-star band. Crazy Jane Records artist, Jack Waldheim wrote his new album on his beat-to-hell acoustic guitar in the corner of a dark room scratching fast to the open edge of what defines him as an artist. Coming up Poetic and original, it is as much the moist and red curtained window to the mind as it is an indepentant film of a life Exploding with edge and heart. It's hard to describe what sets his music apart from the sea of music on the market these days, it seems everyone has something to say. But what Jack offers is unique, honest and clear. There are no cliché's here. This is the sort of album that you want to put on the player on a hot summer night and sit on the front porch, drink in hand, and a wandering mind or to dance to, in the arms of your favorite lover. "On Second Thought..." was recorded in three days, live in the studio with an all-star band featuring Pete Adams, Jody Lampro, Bobby Sweet, Rick Leab and fellow Crazy Jane Records artist, Tonia O'Brien. Here it is... be careful with it... People who are interested in Tom Waits Waylon Jennings Ryan Adams should consider this download.
