Traditional ballads, acoustic blues, torch songs, country music and old-time tunes that are personal and heartfelt expressed with universal appeal. 10 MP3 Songs FOLK: Traditional Folk, COUNTRY: Country Folk Details: A gifted vocalist and masterful songwriter, Jen Sygit, has a golden ear and a deft touch on guitar. Jens smooth, sultry voice plays sweet and true across broad range and brings just the right timbre to traditional ballads, acoustic blues, torch songs, country music or light hearted little ditties. To supplement her solid acoustic guitar playing, Jen often turns to her open back banjo or soprano ukulele to provide lighter harmonies to blend with her vocals. A countrified girl with a generous heart, Jens songwriting is personal and heartfelt, but always expressed with a universal appeal, whether she writes about the country roads of her childhood or watching families sending their sons and daughters off to war. A regional touring artist based out of Michigan, Jen's sophomore release (and first release on Earthwork Music) entitled Leaving Marshall St. is a classic depiction of rural America that features many of Michigan's top songwriters and instrumentalists.
