pop rock original music with a little bit of folk 10 MP3 Songs POP: Folky Pop, ROCK: Folk Rock Details: Hey All, Im a Musician who plays guitar, Keyboard, Harmonica and sings. I also write my own music and lyrics. I been playing out for about 5 years now. I started playing at local open mic nights then went out and played solo gigs and hosted my own open mic night. I then toured the east coast with a friend of mine doing all orginal music. I now am forming a band with the help of a drummer my brother knew from highschool, a bass player he knows and possible another lead guitar player. My goal is to go out play my music and have fun. My songs are straight from the heart. I play acoustic/electric pop/rock and folk songs. you can check some of my music at myspace.com/johnnyfreakinballs or my web site witch is still under construction johnnyfreakinballs.com I hope you like my music and buy my new CD Attack of the Balls. It is totally awesome packed with some great hits. So go head buy one. Buy one now. It's that easy
