KIN II who are cousins have been on the local HIP-HOP scene for 7 years. From jump KIN II have proven themselves to be flexible with their style. It's a little grimy but still fresh. "We want to show our creative courage, we want to reach the potentially new audience. We don't want to get stuck in a stylistic rut. There is no set formula for delivering good grimy hip- hop. Were in the game and changing rules. We truely want to sieze the opportunity to make a difference." Influenced by NAS and MAC the NO LIMIT Soldier, Eight-Ball, Scar Face and MCA. KIN II has embraced both EAST COAST/WEST COAST and DOWN SOUTH styles and delivery with their DIRTY down south dialect that gives their music a special touch. But what really distinguishes KIN II from the rest is their laid back sexually driven delivery. There's nothing controversial about these two. They are just loving the ladies and puttin some heat on the mic as well. With catchy hooks and great looks, KIN II is incredibly capable of crossing all boundaries.
