The scientists Andi Grace a Dieu and William B. Skyborne presents their pseudoscientific audiolog; Astroid Antics. The ten audiotracks spans from gaelic banjo-riffing via epic gringopostrock to dark oriental gabber with a touch of up-to-no-good hiphop. 10 MP3 Songs POP: Quirky, ROCK: Psychedelic Details: Meta forever is the latest branch on the evergrowing Metronomicon Audio tree. After they have traveled around the globe and the galaxy since 1903, the scientists Andi Grace a Dieu and William B. Skyborne presents their pseudoscientific audiolog; Astroid Antics. The ten audiotracks spans from gaelic banjo-riffing via epic gringopostrock to dark oriental gabber with a touch of up-to-no-good hiphop. With frantic vocals, soaring violins, roaming echo and insisting drums this space congress could be the start of a very, very interesting journey.
