Details: The music that accompanies Circus Flora and its magical show, Da Capo, comes to life on this new sound track. Award-winning composer, Miriam Cutler, has created a thrilling score for Da Capo and added a bonus track from an earlier Circus Flora production, "Passport For Flora". Based in St. Louis since 1985, Circus Flora currently makes its home in the Grand Center Creative Cultural District of the city. Over the last decade, the circus big top has also been featured at such prestigious venues as the Spoleto Festival USA, Lincoln Center and the Kennedy Center. Los Angeles-based film composer Miriam Cutler has been writing, producing, and performing music for over 20 years. Her evocative scores have graced numerous narrative features and award-winning documentaries, as well as television, corporate videos, cartoons, and even two circuses. She's known for her versatility, her soulful integration of world music styles, and her enthusiasm for working collaboratively. Cutler began her musical career as a singer/horn player in several bands, including the popular MYSTIC KNIGHTS OF THE OINGO BOINGO.
