

Mp3 Nebulous - Synthetica 3

[DOWNLOAD HERE](#)

This is a sonically rich and immersive album, which takes the listener to virtual worlds of vast proportions. Absolutely a must-hear disc. 14 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Soundscapes
Details: Over 60 minutes of immersive synth material are featured on the solo album "Synthetica 3" by Nebulous. This is a must-have CD for those with an interest in the classic era of electronic music, and for those with an ear for richly composed synthetic soundscapes.
