

# Mp3 Norman Whitelaw - Unconscious State Of Mine

[DOWNLOAD HERE](#)

Easy listening is the word combining interesting lyrics and music. Songs of love and life make up the list of this recording project. The title track, "Unconscious State of Mine" blends Norman's unique Scottish vocals with the soothing sounds of the sax 10 MP3 Songs EASY LISTENING: Soft Rock, EASY LISTENING: Love Songs Details: Norman Whitelaw cut his first record in Biggars Recording Studio in Glasgow, Scotland at age 5. Throughout Norman's childhood and teenage years he appeared on Scottish television and performed with a number of orchestras in Great Britain. As the lead singer and bass guitar player for the group Fargo, Norman toured throughout Europe. During his days as a session man in London's Soho District, Norman had the opportunity to work with rock legends Phil Collins, Eric Clapton, and Sheena Easton. This experience continues to influence Norman's style as a songwriter. Unconscious State of Mine is a reflection of the artistry found in the music of Norman Whitelaw.
