

Mp3 The Clubber Lang Gang - Now Here This

[DOWNLOAD HERE](#)

Space-Folk, a meeting of acoustic and electronic layers done in an experimental, ethereal fashion bridging pieces of many distinct genres. Think Cat Stevens on steroids in an intimate embrace with the members of Pink Floyd. 12 MP3 Songs in this album (45:52) ! Related styles: FOLK: Psych-folk, AVANT GARDE: Electro-Acoustic People who are interested in Pink Floyd Ween Spiritualized should consider this download. Details: The Clubber Lang Gang is a space-folk quartet hailing from northeastern Pennsylvania. Their debut album, Now Here This is replete with songs done in space-folk style sometimes bridging many genres including but not limited to 1950s rock, psychedelic jam and reggae. "Now Here This" is a concept album without an easily definable concept; one that strives to present the listener with something both uniquely interesting, musically diverse and audilogically gratifying. *includes guest appearances by bassist Mike Watt (minutemen, FIREHOSE,etc.) and John Sampson (piano virtuoso extraordinaire). "beautiful music...kinda trippy" -Mike Watt, bass legend, songwriter, vocalist "A grand production of tears, joy and high way!" -Charles Plymell, American poet, author and publisher "I hate space-folk" -scrawled on a wall during an early clg gig
