Popular Jimi Hendrix songs covered in an electronica style. 11 MP3 Songs ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC: Electronica Show all album songs: J.H. Dossier Songs Details: The Electronica Files (TEF) is a producer's project of a repository of underexposed talent. TEF will be produced in several volumes, each reinterpreting classic catalogs and songs. All TEF projects are done with the most respect for the original artists and recordings. With TEF - J.H. Dossier, producer/programmer CoolNerd has the utmost esteem for the great Jimi Hendrix and hopes this work respects the spirit of Jimi Hendrix, the Hendrix family and the many other Hendrix fans in addition to himself. TEF - J. H. Dossier boasts 10 inventive interpretations of Jimi Hendrix staples. The CD flows from gospel tinged drum and bass, to down tempo hip-hop, to beautiful house, to mainstream dance. Now it's time to crack open The Electronica Files and shine the light on a lineup of red-hot "gonnabe stars" for the blazin' supernovas they really are. Each one's a top-caliber "agent" for the CEA (CoolNerd Electronica-Intelligence Agency), and each delivers an outstanding musical "investigation" of a classic body of work. . . . Trust Only The Beat!
