Details: Tycho Brahe is one of Australia's longest running and most recognised indy electronic bands, with tunes ranging from uptempo classic synthpop, to moody atmospherics, to grinding synthrock, and has shared the stage with acts such as VNV Nation, Real Life, John Foxx and Pseudo Echo. "Don't Feel That Way" is the single lifted from Tycho Brahe's subsequent album "Atlantic", appearing here as a single edit and also remixed for the dancefloor by UK producer EMP. "Avarice (Stripped Mix)" showcases the strength of that song, stripping it back to it's barest essentials - vocals and guitar. The Giorgio Moroder cover "I Wanna Funk With You Tonite" is a thumping dancefloor gem which appears exclusively on this release.
