

# Samarah - These Things Ep

Samarah - These Things EP, released on London-based netlabel Electronical, is a rare foray into disjointed, vocal-based glitch. Disconnected percussion and subdued vocals take centre stage, with sparing use of other instrumentation. This increases the impact and significance of pianos and other melodic elements, just as the moments when we can catch phrases, sung through a shroud of digital manipulation and effects. Each track on These Things is aesthetically consistent, although the whole EP generally feels like a somber miasma of gritty textures and silky vocals. Pale Honey (Slow Honey Mix) is the strongest track, combining all the best elements of the EP, and is a remix of Pale Honey, available on Samarah's EP What is Beautiful. - Mileu Tags: idm
