

The Annals Of Unsolved Crime - Edward Jay Epstein

[DOWNLOAD HERE](#)

The product of more than 40 years of investigative work: an insightful guide to some of the most controversial and mysterious crimes of the last 200 years Edward Jay Epstein's book on the Kennedy assassination Inquest: The Warren Commission and the Establishment of Truth was one of the first books on the case and an instant bestseller. After interviewing every member of the Warren Commission, Epstein concluded that enough remained uninvestigated that conspiracy theories would persist for years. Ever since, Epstein has remained a skeptic and a dogged investigator. Writing for the New Yorker and Vanity Fair, he has reported on dozens of famous crimes. His books include a dissection of Lee Harvey Oswald's ties to Soviet intelligence (Legend: The Secret World of Lee Harvey Oswald), an account of Nixon-era crimes (Agency of Fear), a widely-respected study of the CIA (Deception: The Invisible War Between the KGB the CIA), and a study of surveillance tapes of Dominique Strauss-Kahn (Three Days in May). His method is simple: outline what is known and unknown, and show the plausible theories of the case. Where more than one theory exists, he shows the evidence for and against each. And when something remains to be proved, he says as much. In The Annals of Unsolved Crime, Epstein re-visits his most famous investigations and adds dozens of new cases. From the Lindbergh kidnapping to the JonBenet Ramsey murder case, from the Lincoln assassination to anthrax attacks on America, Epstein looks at history's most famous crimes and their tangled histories and again proves himself one of the most penetrating journalists in America. Author: Epstein, Edward Jay Publisher: Melville House Illustration: Y Language: ENG Title: The Annals of Unsolved Crime Pages: 00000 (Encrypted EPUB) On Sale: 2013-03-12 SKU-13/ISBN: 9781612190488 Category: True Crime : General
