

The Mons Myth: A Reassessment Of The Battle - Terence Zuber

[DOWNLOAD HERE](#)

Conventional histories of the Battles of Mons and Le Cateau describe how, although the British were massively outnumbered, precise and rapid rifle fire mowed down rows of German troops: the staggering casualties inflicted made both British victories, and set the stage for the Battle of the Marne. But neither encounter has ever been described in English from the German point of view. Using German tactics manuals and regimental histories, Terence Zuber re-examines the battles at Mons and Le Cateau, subjecting British tactics to a critique that goes beyond admiration for rapid rifle fire and presenting new and startling perspectives, showing how the Germans employed a high degree of tactical sophistication in conducting combined-arms operations. The odds were, in fact, even, and German casualties never reached the levels described in the standard histories. 'The Mons Myth' is the first history of these battles to take this approach in ninety years, and completely changes our understanding of what actually happened. Author: Zuber, Terence Publisher: The History Press Illustration: N Language: ENG Title: The Mons Myth: A Reassessment of the Battle Pages: 00304 (Encrypted EPUB) On Sale: 2011-11-08 SKU-13/ISBN: 9780752452470 Category: History : Military - General
