Are you tired of making money for everyone...but yourself? Do you want to make some real, long-term money for you and your family for a change? If you think affiliate marketing is the answer for you... you're not DEAD wrong...but you've only got it HALF right! The secret is to work with affiliates instead of being an affiliate! Sure, there are plenty of very successful affiliate marketers out there. People who KNOW how to make that business work for them AND they make some GREAT money! They don't have to put in the work to actually create a product, but believe me, the great affiliate marketers have to put in a LOT of work in order to make that great living! But, If You're An Affiliate, That Money You've Worked So Hard To Attain Can Disappear In An Instant! What happens if the product you're making all of those affiliate commissions from suddenly disappears/falls off the face of the earth? What happens if the company starts having financial problems and can't pay affiliate commissions? OR, as happens much more frequently, you see that \$100 product you've been getting good commissions from suddenly show up on e-Bay for \$10.00! We all know this happens, sometimes more frequently than it should. But, if you've built YOUR business on

SOMEBODY ELSE'S product, then what can you do? IF YOU DON'T OWN THE PRODUCT, YOU DON'T OWN THE BUSINESS! Conversely, if you DO own the product, you DO control what happens to YOUR business. Tags: im, plr
