Chains of Desire Natasha Moore Acting as decoy for her princess, Hanna is captured to become a rival king's sex slave. Chained in a spaceship, bound for a planet that deals in sex, she fears she'll never be free. But then a sexy guard gives her hope as he makes her body soar with pleasure, even while bound in chains. An escapee from the tranium mines, Jarrod signed onto the slave ship to make a quick getaway. The beautiful captive calls to the dominant beast in him and though it is forbidden to touch the king's property, he can't resist showing her the erotic ways of Master and slave, of pain and pleasure and strict obedience. Everyone knows Masters never keep their slaves for long and they're not allowed to fall in love. But it's not long before Jarrod changes Hanna's chains of bondage into chains of desire. Can they make it work against all odds? Reader Advisory: Contains brief female/female sensual exploration.
