

# Industrial Walk-in Chiller Fridge Freezer (sfx Sound Effect)

[DOWNLOAD HERE](#)

This 60" file was recorded in the back of a freezer lorry that delivers ice creams to restaurants. It starts with the sound of the door shutting from an internal perspective, followed by about 45" of the inside sound of the lorry and then concludes with the door opening. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
