Finally -- Five Top Marketers Reveal Exactly How To Make At Least \$10,000 In Profits Every Single Month Selling Information Online ... 100 Guaranteed! Success leaves clues, and anyone involved in marketing online will walk away with a new perspective... Louis, I dont know how you do it! You masterfully interviewed five top internet marketers and got them to share preciously valuable and specific details on how they attained their successes. Truly inspiring insider information. Success leaves clues, and anyone involved in marketing online will walk away with a new perspective... as well as new ideas they can implement immediately. I have to admit, I would have been very pleased with just one interview, but as usual, youve outdone yourself with five! A must-have for my library. Bravo! - Mark Idzik WebBizTools.com From: Louis Allport Friday, 8:14 pm Dear Internet Friend, This one simple fact can make you a fortune: Information sells. Okay, okay ... I know its been said many times before. But it really is that important. And heres the best bit -- by selling information online your profit margins go WAY up. But do you really know how to make money online selling information? Theres so much advice out there telling you how to do this ... and a lot of it is just plain wrong! Listen to the wrong people and youll never

have a profitable business (and probably lose hundreds of dollars finding that out). But listen to the right people, apply their advice, and watch your bank balance skyrocket ... Whos Telling The Truth Online? Heres the skinny ... I recently spent six hours grilling five marketers who sell information online (and make very high monthly profits) about exactly how they do it. And heres the best bit -- they answered ALL my questions in gruesome detail! And heres why you should listen to what they have to say -- Two reasons... One -- Ive followed their advice, and if it was BS I would have lost hundreds (or even thousands) of dollars by now. I havent. In fact their advice has helped me to consistently grow my online information business. Two -- Youll recognize at least one or two of these names Im sure of it. And then youll know why you should be listening to them. (The fact that you know the names proves their marketing power.) Devour Every Word ... And Im making the transcripts for these six hours of marketing consultancy available to you. Why would I do that when it creates more competition for me? Well actually it doesnt ... the net is so huge (and growing every day) theres plenty of room for all of us to have successful businesses... Introducing Your Marketing Mentors ... Adam Katz is a former professional dog-trainer who took this very niche knowledge and turned it a into highly profitable online info-business. Ben Prater is a software developer who put his software building wealth-cycle into an ebook and in his first month made \$18,000 in PROFIT selling it! Joe Vitale ... Im guessing you recognize that name. But in case you dont Joe is a marketing consultant, copywriter, and author who has sold as many as 800 eBooks in one day! Yes -- you read that right. Hows that for daily income? Ron Ruiz is a former aerial photographer who turned his knowledge in the business into an information product that sells for over \$400 and brings in \$6,000 a month from a one page web site!
