No Matter Who You Are, How Much Experience You Have Or What Kind Of Budget Your limited to... And especially If You're Sick And Tired Of Software and Services being insanely over priced, Then 'Instant Blog and Ping' Desktop Software is for you... "Version 2.0 Just Released - New Added Features" Dear Friend, How much is time worth to your business? The reason I ask you this is because.. exactly 32 days ago I asked the same question to a friend of mine who was in a right dilemma, I'm talking about a Huge Bind. Now I'll tell you later why I asked him that same question... Suppose you could sit down at your computer create a website, upload it then press a few Simple buttons and then sit back and watch search engines spiders hurrying to your site like a moth to a light bulb. Imagine... performing one simple 2 minute task which within days could lead to a stampede of search engine spiders crawling deep down into the 1000's of pages you have created. Imagine then seeing your entire site indexed not in months but

within a matter of weeks. -- obviously this means more pages are now in front of hungry consumers which in turn means the potential of earning cash quicker increases. Think about it... anytime you create a new site - you simply turn the tap on... it's like having the goose that laid the golden egg. Sounds too good to be true? Well, it isn't if you have the right tool. You see dollar-for-dollar nothing comes close to being able to get your website pages crawled, indexed and ranked fast. Think about it! A Software Program that completely automates the whole blog and ping process freeing you up to time into the areas of your business that you need to. Simply put, Instant Blog and Ping is like having a little automatic, money-making robot working for you, tirelessly.. day and night. See this is the thing.. Unless you have had your head under a rock for the past 12 months or your completely new to the internet, I'm going to go out on a limb here and assume you have heard about what Blog and Ping is, if not let me fill you in. Search Engine Optimization Junkies, Internet Entrepreneurs and Webmasters with the inside scoop have been Buzzing for months about a super fast method of getting your entire site pages crawled within a week, and even in some cases within a Matter of Days. But Blogging and Pinging Every Page is the Hard Part... You see the ever since the release of the famous Blog and Ping Tutorials months ago, the process taught people manually how to -- 1. Create a Blogger account at Blogger and setup the settings ( shown in software guide) 2. Create a my.yahoo account and take the RSS URL found in Blogger and place it your MYYAHOO account 3. Go back to your Blog and Post pages from the site you want crawled and indexed to the blog 4. Ping the Blog Aggregator like Yahoo and place like Pingomatic and wala! Whilst this sounds simple enough ...and well ...it is if you have only 7 pages on your website and 1 website, but many people doing business online have lots of site and lots of pages, and not a huge whack of time to spend posting pages to their blog in set intervals. So people have been faced with 3 options \* Post every Page from your Site to a Blogger account Manually \* Post every Page from your Site to a Blogger account Using a Paid Service \* Post every Page from your Site to a Blogger account Using Expensive Software Now, It could take you days if not weeks to post manually and cost you a small fortune paying out to a paid service or buying software that starts in the hundreds. So Instead of knocking yourself out trying to post every page one by one or saving up for software that your really not sure is worth the high ticket price. You can have a 24/7, Set and Forget, Search Engine Spider Magnet for your business, that will do all this for you.. and will be ready at your beck and call -- announcing: " Instant Blog and Ping Automated Desktop Software" In just 2 minutes you can press a few simple buttons input your blog info hit start and

Fact: Siliconvalley and Search engine watch reported in February 2003 that Google purchased Blogger.com Fact: Time Magazine reported in 2004 that blogging has become so popular that even Microsoft has launched its own blogging services called "MSN Spaces" Fact: Yahoo! has released their own place to blog called Yahoo! 360 Fact: Aol Has their own place to blog called AOL Journals With this in mind, here's why those facts are important to you. All the Major search engines see the value and potential of blogging evolving so much that Google purchased San Francisco company Pyra Labs who operated Blogger.com Think about this..Google owns bloggerso everyday it sends search engine spiders out to check out bloggerfor New Fresh Content.. and when it finds it. i.e Your Blog with all your website pages and postings.. Its as busy as cat on a hot tin roof, and this is not just my opinion. The truth is... There really is no need to submit your website pages to google as they will find you through the blog as they seek out fresh content. There is no need to spend \$299 to get into Yahoo directory as they will be alerted to your blog and the links to your site the moment you Ping the content Who wouldn't jump at this? It really couldn't be any easier unless I pressed the buttons for you. That means, in about 2 painless minutes, you can have pages posted and your blog pinged, without the effort " How much is time worth to your business?.." Remember... I mentioned at the start I would share with you why I asked my friend that question. Let me

explain.. He was in a situation where he had several deadlines on projects that he was working frantically to meet and trying to save money and do all the work himself not only did he wear himself out but he actually figured out that he never profited from the projects as when he calculated how long it took him to do it minus how much he got paid, well.... he took a loss. Lets assume, you try to tackle Posting all your pages to your blog manually and each site has over 500 pages and you are posting every 18 mins, 2 pages. How many man hours is it costing you? Is it really worth it? when you can press a few buttons, minimize and let it do every single page for you. Okay, So Whats The Cost For This Incredible Software? Well I realize this software could sell for as much as \$499. In fact if you was to ask around and find out how much it costs to use a web service online that blogs and pings for your business, you'd be charged somewhere in the neighborhood of \$1,000 to \$2,000 So at a bare bones minimum you're getting hundreds and thousands of dollars worth of service in one package for one fee. But I'm not going to charge you anywhere near that amount or even my minimum project price. In fact, your total investment for this fully automated desktop software is just \$67.99. The Money you'll earn as result of having your website pages spidered and indexed fast can very easily pay you back hundreds if not even thousands of times your meager investment. So what's the catch? Why am I practically giving this software away? Well, it's really quite simple. Since Your going to access this directly from the internet I have no inventory and no fulfilment costs. I don't need to pay anyone to take the order over the phone. This way I can pass along my cost savings to you. So you win and I win. Your success in using this powerful, Automated Blog and Ping Software is completely guaranteed.
