Kessa's Pride Kama Spice Valren Nimhah grew up hearing stories of Kessa Liah of the Silver lineage-one of the most powerful females in over a hundred years. As Leader King, he knew he would have to bring her back. She has risked the safety of the pride by living among humans. Besides, he was in heat and needed a powerful mate. What he hadn't bargained for was how easily Kessa would drive him to the brink of madness, blinding him with savage desire. Kessa Liah has managed to subdue her animal urges while living among humans. But after the death of her human mate, a Leader King finds her and promises to bring her back to everything she's left behind. When he sends two males and a female to remind her of what a real cat in heat is like, she is powerless to resist. The familiar scent of Lith'han sex sends her into a frenzy. If this is how her body responds to ordinary pride members, resisting the lust of an alpha male will be almost impossible. Reader Advisory: This novel deals with a capture-bondage situation and includes interaction between f/f/m, group sex and m/m.
