And last but not least drummer extraordinaire Andy Boesenecker wraps up the package that is Beautiful Mess with a show and sound all their own. You never know what to expect, making each show truly unique, the performance is fun for all regardless of your musical preference. As far as their sound, Beautiful Mess strives to write diverse, well-structured songs that are full of catchy hooks, good melodies, intelligent lyrics, and strong harmonies. Their influences include, rock, pop, funk, punk, indie/emo, as well as roots country and hip-hop. These genres inspire a fresh sound that is full of energy and free from repetition.
