Thank You everyone, cast crew and fans! 2006 "Eventful Silence" the second album, Creates an eclectic journey into surreal love through powerful electronic textures and unique new voices. ES features Cliff and four extraordinary women vocalists who bring the stories to new heights, with their own intricate harmonies. Two very evocative piano vocal tracks, deeply move the ride to a memorable, teary ending. Several songs from ES were co-produced by Steve Gallagher (He is brought in as the mixing engineer for many major label, Grammy award winning projects,

such as Destinys Child, Sugar Ray...He also produces independent artist projects.) Download These songs at Itunes: Eventful Silence 2005 "Watersound" the first album, focused on life and love and a little fun, and for the ending track...a little travel. :-) "Angel Of Flight" is a vivid journey of a man, taking those couragous steps into the unknown, with a dedicated woman backing supporting his unconventional efforts. Also on this album, is the original, acclaimed spoken word piece, Lyrics of which were featured at the 2006 Olympic Games in Torino, IT, "One" event.
