A brilliant vocalist, musician, and composer blending Caribbean, R&B, and Hip-Hop influences he writes poetically about today's social and cultural issues and entertains with an authentic, persuasive voice wrapped around unforgettable rhythms. 15 MP3 Songs WORLD: Reggae, WORLD: Caribbean Details: Dachee Singer songwriter, Dachee is a triple threat. He's a brilliant vocalist, musician, and composer blending Caribbean, R&B, and Hip-Hop influences he writes poetically about today's social and cultural issues and entertains with an authentic, persuasive voice wrapped around unforgettable rhythms. The result is excitement, fun, and listeners who come away lifted by his message of hope. That's why Dachee is attracting legions of fans around the globe. Dachee is a talented musician and vocalist, but it is his songwriting that will perhaps give listeners their greatest joy. Before you realize there is a message in his music, Dachee has the ability to make you think about topics and issues you might otherwise take for granted a quality that has already made Dachee's songs a fixture on the iPods of today's socially conscious music connoisseurs. His debut album, *Flight*, is a beautifully crafted musical portrait showcasing his ability to create songs that even in today's over-communicated society make a statement. The project includes memorable compositions with smart lyrics tackling everything from War, global political leadership, world hunger, and Black-on-Black crime. If that weren't enough, he also illuminates the need to examine the rift in male and female relationships and questions today's preoccupation with image and plastic surgery. Many songwriters attempting to bridge so many subjects might find the result heavy handed, but listeners to *Flight* will find Dachee's songs so engaging that it will be minutes before they realize that he's also providing insightful commentary on today's most pressing social issues. For many years, he's been a popular performer in the New York, New Jersey, and Connecticut area appearing at venues such as Manhattan's American Museum of Natural History, the annual Reggae

Carifest on Randalls Island, and a powerful tribute performance during the Tribeca Film Festival for Archbishop Desmond Tutu. Now many more will have a chance to get a lift from Dachees multitalents through his new project, Flight.
