Hip Hop/Rock/Trip Hop/Classical 5 MP3 Songs in this album (24:49) ! Related styles: ELECTRONIC: Big Beat, HIP-HOP/RAP: Beat Tape People who are interested in DJ Shadow DJ Krush RJD2 should consider this download. Details: It all started with Hip Hop. I started off as a bboy in elementary school. I first started scratching at the age of 13. A year after I started playing the piano and decided to song write. I got into beat making a couple of years after, then branched into sound engineering and dipped my head into every genre out there in the music field.
