Performer" and "Urban/R&B Album" 2009 (MAMAs) - Felicia Alima releases "Trade" - a maxi-single

release about human trafficking, featuring legendary rapper Chino XL and production by DJ Pain 1

(Young Jeezy, Bun B). The purpose of the release is to raise awareness about the human trafficking

epidemic. "I was inspired to write the song after watching the movie Trade, (hence the title of the track). I

feel like its a subject that is rarely spoken about, and it is important to help spread the message to make

people aware that human trafficking really does exist... not just in America, but all over the world. If this

song can create even the slightest awareness, I wont feel like my voice is going unheard." Felicia Alima.

Machete/Universal Latino recording artist Chino XL features on the release. "Felicia is a very powerful

voice in the music community and in the global village. Im proud to be apart of her latest release tackling

this subject. If it helps educate one person enough to stop this from continuing, it served a purpose..."

Chino XL. Part proceeds from the sale of the maxi-single will be donated to Coalition Against Trafficking

in Women (CATW), a non-governmental organization that works to combat human trafficking around the

world. "Felicia is a wonderful example of an artist using her artistry to call attention to the severe human

rights violation known as human trafficking. Human trafficking is now one of the world's fastest-growing

human rights violations. We all need to work to end it and CATW applauds Felicia for doing her part!"

Norma Ramos, Esq. (Co-Executive Director) Coalition Against Trafficking in Women. The poignant song

begins with Felicia describing two scenarios one of a young girl from Mexico who is kidnapped from the

street-side, and then sold for auction to the highest bidder; and one of a beautiful Filipina girl who is procured by sex-traffickers, posing as a "modeling agency". She is then smuggled from her homeland and sold into prostitution overseas. Chino comes in after the second verse with a powerful 16 bars describing a young 16 year old girl who is enticed by an advertisement in a magazine for young women with hopes of Hollywood stardom. The girl runs away from home to pursue her dreams, only to be disillusioned, as the ad is a hoax. She is captured and held against her will, and is then forced into prostitution. After she is found pregnant, she is then murdered. DJ Pain 1 (producer of "Dont Do It" by Young Yeezy), composed two versions of the release the main mix "Trade", and "Trade (Pain Remix)", which is a heavy 80s-style Hip-Hop remix. Other remixes on the disc include "Trade (Latin Mix)", composed by Madisons Jake Johnson, and "Trade (Euro Mix)", composed by Milwaukeees Shafi Turner.
