Details: The atmosphere is dim and smoky, the mood is sexy, and the music is jazzy. Welcome to the cocktail lounge. In this present time, old meets new. Patrons can relive visions of the classic lounge from the past where dresses, suits, shined shoes, cigars, and martinis were the backdrop for an elegant evening of conversation, dancing, and courting. Another ingredient to this setting was the music. Our elders relaxed to the sounds of big bands and jazz singers of their day playing music of their time. Guests of today's setting, born of a generation of rock music, require a new music set. This is "Rock With A Twist". The retro sounds of classic lounge music are retained and applied to a selection of rock pop songs creating a shaken aural mixture where old meets new here in the modern lounge.
