Heavy melodies, multi-layered harmonies over complex implemental traces in the title of the reform-minded rock of the 60's and 70's. Yes meets Brian Wilson. 14 MP3 Songs ROCK: Reform-minded Rock, ROCK: Classic Rock Into Light Songs Details: INTO LIGHT is Gary Adamson's first solo CD on Water's Edge Music. Released on the cusp of the new millennium, INTO LIGHT is a song cycle that revisits the past while looking forward, with hope, to a brighter tomorrow. Stylistically, INTO LIGHT pays homage to the reform-minded rock music of the late 60's and early 70's. Memorable melodies and complex harmony vocals are interwoven over multi-layered implemental tracks. Echoes of Brian Wilson, the Beatles, Yes, and Crosby, Stills, Nash and Young can be heard, blended together in a new and interesting way. Standout tracks include: "All We Need", a Beatlesque look at the 60's generation, "Aurora", dedicated to Brian, Carl and Dennis Wilson, "A Place/Turns To Silence", and more...14 tracks in all. Gary Adamson, a New York based musician/composer, performed all the lead and backing vocals, and also played many of the instruments on the CD. Gary performs live as a solo artist, and with his band, in the New York area. He also has written and recorded music for documentary films and television, including the theme for the recent Emmy-nominated Disney TV show, "Secrets of The Animal Kingdom".
