A wonderful mix in the Folk/blue grass/Country style Garys' voice is smooth and sexy, and his lyrics and melodies will stick in your head 13 MP3 Songs COUNTRY: Bluegrass, FOLK: Modern Folk Details: Gary Lait Cummings has been performing original music for the past thirty years, through out the U.S. and Canada. His songs have been featured on many recordings over the years, the first of which was a four song block at Atlantic Records in the late seventies. His writing style has included everything from Country to Funk. Always telling stories based on truth. With this release of The Softer Side of G, he has settled into the Country/Bluegrass vein with a beautiful group of thirteen songs, all written at his summer hide away in Nova Scotia Canada. Several listeners have commented that they can actually feel the Maritimes in the music. Songs of love and loss. Songs of the sea, and songs of aging. The lyrics and melodies will stay with you and make you feel good. Some quick comments from listeners. [I'm loving this cd] [Beautiful, I found myself tearing up a couple of times] [Sounds great, looks great, I love the Hair song] [Phenomenal, the best new cd I have heard in a long time] Give it a try and send your comments. Relax and Enjoy! Kay writes, Covey Island Waltz reminded me of all those wonderful islands in Penobscot Bay. I could smell, feel, see the islands as I listened to the music. I was overwhelmed with emotion hearing "I Want To Dance With You" Thinking of holding Bill's hand as we went to paradise together. THANKS KAY
