Details: "Soul Dance" is New Age music at it's best! Sparkling acoustic guitar by Gordon Burnham, rich, brilliant cello, tasteful percussion, and ethereal keyboards by Jim Richards will take your mind on a refreshing and healing journey. Music can provide direct access to emotional and spiritual experiences we rarely touch upon in our daily lives, but so deeply need for our soul's fulfillment and our healing as a whole being. This music was born of a desire to feel and express the yearning in all of us to be whole, and the joy of being moved into that realm through music! Each of these songs has a strong theme and emotional depth that will make your heart sing and your soul dance! "Soul Dance" is a vivid tapestry of sound and emotion, a song from the depths of the human spirit, an echo from the depths of the human heart. "In the realm of New Age Music, SOUL DANCE, stands out as a truly fresh and genuine expression of the heart and soul!" - MIGUEL PESOA, producer, Narada Records People who are interested in William Ackerman should consider this download.
