Political folk rock 11 MP3 Songs FOLK: Political, ROCK: Folk Rock Details: I have been a songwriter for many years. Most of my songs come from my experience in the social work field where i work in the field of drug addiction and aids (beauty beyond, killing youth). I also write my songs about political situations that have affected me such as the world trade center (love lost), events such as the death of Diallo (remember diallo) and the vietnam war (the soldier) etc.
