Folk Rock. An upbeat acoustic sound. Wide range vocals, full production. Thought provoking lyrics you can relate to. 16 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: Lisa Campbell "Winds of Change" A smooth blend of folk/rock guitar, a vibrant vocal range, true-to-life passionate lyrics in the style of Jewel, Joni Mitchell, and Patty Griffin. Thought-provoking lyrics that make you want to stomp your feet and mend your heart at the same time! Native San Diegan Lisa Campbell attributes much of her guitar picking, singing, and song writing to her third grade teacher, Mrs. Koontz. Now nearly 29 years later, 84 year old Mrs. Koontz boasts "I always knew Lisa would do something special with her music!" Lisa's live performances are sensational and growing in numbers every time her ever-increasing legion of fans enjoy her music, words, and style. After much anticipation, Lisa has released her first CD, "Winds of Change". The songs are fresh, vibrant, and vital! "It's euphoric to create music. You cannot describe the high" says Campbell on her first feat into recorded music. A second CD is already in the works.
