Easy listening, great guitar leads 7 MP3 Songs EASY LISTENING: Adult contemporary, EASY LISTENING: Love Songs Details: First and foremost this CD is dedicated to my wife Joanne and Bobs wife Deb. Both have faced a life changing illness, Breast Cancer. They met it head on. Both are now Breast Cancer survivors. Their love of life and family,the strength and courage they have shown, is an inspiration to everyone they meet. The world would be a lesser place without them. We love you both. The songs on the CD are songs that we have been able to put together during the good times. Fortunately there are more good times then bad now. Many of the songs you will hear on this CD are about family and life experience. We hope you enjoy our music. This is what we do... "Behind The Tears" A portion of the proceeds from this CD will go to Breast Cancer research. Thank you.
