IDM electronica with side order of black humor and serious sonic dissent 11 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Experimental Details: Pussyfinger is a propagandist statement about the shortcomings of humankind. The methods utilized include exposing the dark side of primal rhythm in IDM music. The sonic experience is accompanied live by a shocking and riveting video display of the evils that men do. This immersive experience is somewhat replicated for the home listener through the application of the most punishing mastering levels ever committed to cd. The end result is that there is no place to hide from the mirror being held up in front of you.
