

# MP3 Roy Harter - Lover Of Beauty And Coffee Breath

[DOWNLOAD HERE](#)

Incredibly dark, and moody, debut instrumental album from film composer Roy Harter that showcases his mastery of the modern recording studio. 13 MP3 Songs ELECTRONIC: Experimental, ROCK: Noise  
Details: With dark shades of deep dub throb and songs that stretch with patient grace, Lover of Beauty and Coffee Breath finds film and television composer Roy Harter seeping through your stereo speakers with an eerie intensity. His debut instrumental album on Skinnyman features surreal ambiences morphing into noise-rock at the blink of an eye. Lover of Beauty and Coffee Breath is a wedding of sonic spontaneity, digital composition, glitched grooves, and cinematic soundscapes. From the opening rock bombardment of "Brass" to the sampler-gone-bad overload of "How Sweet Fingers are", they album is a showcase of Harter's creative use and mastery of the modern recording studio.
