

# Mp3 Steve Marshall - Do What You Will

[DOWNLOAD HERE](#)

A must for fans of the Mizell brothers and funky disco groups like Brass Construction. 13 MP3 Songs in this album (67:25) ! Related styles: URBAN/R&B: Disco (R&B), URBAN/R&B: Soul People who are interested in MFSB Brass Construction should consider this download. Details: STEVE MARSHALL DO WHAT YOU WILL Dopebrother DB-7016 Funky Disco and Jazz/Funk heat from 1978! The long sought after and impossibly scarce Do What You Will gets the Dopebrother treatment, including a crisp remastering straight from the original tapes and full 12-inch versions of dancefloor bombs Maintain and Do What You Will. A must for fans of the Mizell brothers and funky disco groups like Brass Construction, the album features top-notch musicianship from original Herbie Hancock septet member Julian Priester on trombone and Marshall himself, noted for his flute work on the Steve Parks classic Moving In the Right Direction. In addition to the full seven-song original LP, this deluxe CD package contains the previously mentioned 12-inch versions, a special Undercover Brother Big Disco Edit of "Maintain" and non-album cuts Creative Happiness and Still Thinking Of You.
