Over time, the Magickals have learned to live in the company of humans and keep their extraordinary abilities a secret. But despite their vigilance, one lurks among them who will stop at nothing to obtain his dark desire. . .A cop with the Seattle P.D., Selina Grayson is committed to both her job and her privacy. Few know that she's a centuries' old elf with a tragic past that continues to haunt her. Yet her body still craves the exquisite ecstasy of sex that is her birthright--and a night of complete sensual abandon is just what she needs. . .A Special Agent with the FBI Magickal Crimes Unit, Jack Laramie is one of the few Normals who know Magickals exist. He's wary of their power, but one touch from Selina ignites a fire within his blood. Hot with desire, he's ready to succumb to her erotic spell. But working a serial killer case together isn't quite as pleasurable--especially when the killer has a taste for humans like Jack. Now one wrong move could put out their heat for eternity. . . Praise for the novels of Crystal Jordan "There are books you read and those very special ones you devour. . .Carnal Desires is definitely one of the latter. This is definitely an author to watch." --Kate Douglas, author of Wolf Tales "The author is a master world builder and the abundant sex scenes complement the plot and characters. One cannot help but fall in love with these large, dangerous, hot cats!" --Romantic Times on On The Prowl
