

O Pioneers! - Willa Cather

[DOWNLOAD HERE](#)

A Swedish family migrate to Nebraska at the turn of the 20th century. The daughter of the family inherits the land when her father dies, and the story follows her struggle to maintain it when many around her are leaving the prairie in defeat. There are two romantic narratives in the novel: that of the daughter and a family friend, and of her brother and a married woman. Author: Cather, Willa Publisher: The Floating Press
