

So You Want Me To Do What??? - , Page, Gina

These stories are in order according to the emotional level my playmates took me. Starting with the deepest feelings I've ever felt with a human being to the chance encounters that brought me much pleasure. "The Lesson", is near and dear to my heart. It was my first truly penetrating sexual experience. This man filled me with love and passion. He was so patient and caring with me. He set the stakes so very high that it's been hard to fill his shoes....literally. With some of these stories, I was a little timid and scared of the possible. And some, I was the aggressor...bold and up front....quiet the performer. Either way, it was a hell of a ride! You all are going to get to read some things about me that my own family does not know. By reading the stories, you'll get to know me entirely in a way they haven't....so don't judge me too harshly. For years, I suppressed Kat. I was so scared of what would happen if I let her out. Many people tried to bring that side of me out, but I wasn't ready to show it. But after my first orgasm, that was shown to me by an older female cousin, I had to explore this...sex...thing farther. Thus, the adventure I'm about to take you on. So, I warn you, have a partner near by to help you experience my encounters the way Kat has.
